

Westbay Iris Society Jan '08 Doorprize List

| Won By | Iris Name | Hybridizer | Type | Description |
|--------|----------------------|----------------|-------|--|
| | Absolute Treasure | TASCO '06 | TB | Heavily ruffled sky blue, F. slightly lighter white centers. B. white tipped gold. |
| | In Focus | SUTTONS | TB | Bright yellow standards set off the ruby red falls. Yellow blaze around the orange beards give a hot and spicy effect. |
| | Kisses Like Wine | KERR '06 | BB | S. white. Style crests white edged yellow. Falls plush dark cherry with narrow lighter edge. White blaze lined with stripes and dots beside tangerine beards tipped dark red. Lightly laced. Good scapes and increase. Makes a wonderful clump display |
| | Limonada | KEPPEL | IB | Bright lemon slightly paler area below the lemon to cadmium beards. Extreme clarity of color as expected from a glaciata |
| | Little Bit Of Heaven | SUTTONS | TB | Phlox Pink standards with lighter edges and pink style arms. Falls are white with pink orange shoulders, blue beards with tangerine throat. Ruffled and laced with a sweet fragrance. |
| | Midnight Treat | SCHREINERS '06 | TB | S. violet purple; F. midnight black with slightly lighter edge. |
| | Modern Era | KERR | TB | A new pattern. Tangerine bearded white with enhancements of pinkish amber hafts and blue veins on the falls. |
| | Naughty Nights | KEPPEL | TB | Plush bordello red to burgundy falls, lighter mulberry-toned silky standards. Bright gold beards. Exaggerated small ruffles. |
| | Smoked Gouda | KERR | TB | Bamboo tan or smoked light brown. Not your ordinary shade, but surprisingly appealing to men in the garden last year. Makes good clumps and is a good foil for brighter colors. A natural for flower arrangers. |
| | Sparkling | TASCO | IB | S. Reddish spectrum violet; F. reddish violet with a white luminata patch; B. tangerine, tipped white. |
| | Spiked | SUTTONS | IB RE | Strange hard tipped spikes protrude from the base of the standards and falls. Not a beard appendage but a petal appendage. White ground standards are heavily washed violet. The falls are white ground with a violet plicata edge and irregular violet lines radiating from lavender blue beards. |
