

WBIS Doorprize list September 2006

Iris Name	Hybridizer	Description
Baja Blue	Schreiner '06	TB Smooth blue color and very wide, ruffled petals. Serene sapphire self. Extremely wide falls, rounded globular flower form. Very vigorous growth habit. Thick stems yield 7-8 buds per stem.
Double Exposure	Sutton '06	TB RE S. smoky Venetian pink; F. rosy lilac. Double spray pattern of white, then maroon. Carrot colored beards.
I Feel Lucky	T Johnson '06	TB Fully formed, ruffled and laced flowers are rich claret-purple with bluer tones over fall centers. These bluer tones transition to strong blue beards. Super strong growth and show stalks with 3 branches and 6-8 buds. Tall and very showy.
Mystical	Craig '06	IB Standards a rich bronzed gold with an upwash of fuchsia, fuchsia tinted style arms, deep fuchsia purple washed falls, B. dark orange in the throat tapering to neon violet at the ends
Pink Wave	Sutton '06	TB Medium pink self with tangerine beards.
Smooth	Craig '04	SDB S. dark, deep red; style arms dark, deep red; F. vivid red shading to purple around beard; beards dark violet; pronounced sweet fragrance.
